Online admissions

Parents and carers who live in the Essex County Council area (excluding those living in the Borough of Southend-on-Sea or in Thurrock) can apply for their child's school place online using the Essex Online Admissions Service at:

www.essex.gov.uk/admissions

The online application system has a number of benefits for parents and carers:

- you can access related information through links on the website to find out more about individual schools, such as home to school transport or inspection reports;
- when you have submitted your application you will receive an email confirming this;
- you will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from **14 November 2016**.

The closing date for primary applications is **15 January 2017**. This is the statutory national closing date set by the Government.

Please note that it is not possible to apply for a junior school place on line.

Key Points to Remember

- **APPLY ON TIME - closing date 15 January 2017.**
- **Use all 4 preferences.**
- **Tell us immediately in writing (email or by letter) about any address change.**
- **Make sure you read and understand the Education Transport Policy information on www.essex.gov.uk/schooltransport if entitlement to school transport is important to you. School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. The 'catchment' school for an address may not be the nearest school. It is vital you carefully consider the transport implications before you make your application for a school place. Please contact us if you need advice on 0345 603 2200.**

Introduction to the Schools' Admissions Policies Directory for Mid Essex

This Directory should be used with any information you have been sent and the Primary Education in Essex 2017/2018 booklet which is available on our website at www.essex.gov.uk/admissions or on request (contact details on the back cover) by parents and carers whose children will be starting primary education or transferring from infant to junior school in Mid Essex in the school year that begins in September 2017.

In this Directory you will find the School Admission policies of all the primary, infant and junior schools in the Mid Essex locality. This includes areas 3 (Braintree), 1 (Chelmsford) and 6 (Maldon) on the map below. On page 6 it explains what the different parts of these policies mean.

You can make your application via our website: www.essex.gov.uk/admissions

The deadline for receipt of applications is **15 January 2017**.

The information contained in this booklet is correct as at the time of printing. Policies may change in the light of decisions made by the Schools' Adjudicator or any changes in the law. An addendum will be available on the website and on request.

Co-ordinated admission arrangements and what they mean

The law requires a LA to co-ordinate admissions to all primary schools (except independent (fee-paying) or special schools) in their area. Primary schools includes infant schools.

Essex parents must apply for primary school places by completing the Common Application Form. This can either be completed online at www.essex.gov.uk/admissions, or you can use a paper application form. **Please do not do both.** Parents can express preferences for up to four schools, both in and out of Essex, in the order in which they would like them considered.

On 18 April 2017, parents will be sent one offer of a place at the highest preference school that can be met. If none of the preferences can be met a place will be offered at the nearest Essex school to the child's home address with a space available. Here are some examples of this process:

Example 1 – Parent has applied for four schools and the first preference can be met:

Preference 1 – Offered

Preference 2 – Not offered – right to appeal given*

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 2 – Parent has applied for four schools and the second preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Offered

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 3 – Parent has applied for four schools and no preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Not offered – on waiting list and right to appeal given

Preference 3 – Not offered – on waiting list and right to appeal given

Preference 4 – Not offered – on waiting list and right to appeal given

Your child will be offered a place at the nearest Essex school to their home address with a space available.

* You will note from examples 1 and 2 that children are only held on waiting lists for preferences higher than the one that can be met.

On 18 April 2017 (National Offer Day) parents who applied by using a paper form will be sent a letter containing the result of their application. An email will be sent to parents who have applied online and have requested it, confirming the outcome of their application.

See Note 2

A summary of the school's admissions policy.

Note 1

The Published Admission Number (PAN) is the number of places that the school has available for the new Reception intake in 2017. In general this will be the same as the PAN for 2016. The total number of applications received was collated on 18 April 2016. The PAN and the number of applications received for 2016 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or fourth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.

Note 2

Timing of Admission: As required by law with effect from September 2011, all infant and primary schools provide for the full time admission of all children offered a place in the reception year group from the September following their fourth birthday. This means that you have the right to a full time place at the school your child is offered from September 2017. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age. You would need to check with the individual school(s) what the part-time provision would be. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term.

An over-riding consideration is that fifty percent of available places will be awarded to each of the two participating denominations. As applications for admission may exceed the number of places available, the Governors have regard to the following criteria in the order set out below:

1. Looked After Children and previously looked after children (as defined on page 14 of the Primary Education in Essex 2017/2018 booklet) who come from a Catholic or Anglican family;
2. children living within the Springfield Parishes* with at least one parent who lives in and worships regularly and frequently at an Anglican or Catholic church;
3. children living outside the Springfield Parishes* with at least one parent who worships regularly and frequently at an Anglican or Catholic church;
4. children with at least one parent who lives in and worships regularly and frequently at a Christian congregation in the Springfield Parishes*;
5. children with at least one parent who worships regularly and frequently at a Christian congregation outside the Springfield Parishes*;
6. other Looked After Children and previously looked after children (as defined on page 14 of the Primary Education in Essex 2017/2018 booklet);
7. children whose parents seek a place at this church school since they have been or are linked to a faith community;
8. remaining applications (based on straight line distance from home to school).

Children who have a brother or sister at the school at the time of admission, will take precedence in the appropriate category. This includes brother, sister, adopted brother or sister, or stepbrother or stepsister living in the same family unit in the same family household and address.

When allocating places within each category the Governors will have regard to the existence of any social or medical reasons why the child should be admitted.

* The 'Springfield Parishes' are defined as the Church of England Parishes of St Augustine of Canterbury, North Springfield, All Saints Springfield, Church of Our Saviour, East Springfield (known as Chelmer Village) and the Roman Catholic parish of St Augustine of Canterbury, Springfield including Chelmer Village, Boreham and Little Waltham.

In the event of oversubscription within any criterion, the following categories are used, in the order set out below, to decide the ranking of applications:

1. Looked After Children and previously looked after children (as defined on page 14 of the Primary Education in Essex 2017/2018 booklet);
2. the child who has a brother or sister[‡] at the School at the beginning of the school year during which they are to be admitted and whose parents continue to attend ;
 - an Anglican Church
 - a member Church of Churches Together in Britain and Ireland or a member Church of The Evangelical Alliance
 - a place of worship of other faiths
3. the child whose parents attend an Anglican Church;
4. children of parents of Christian denominations who attend regular worship at churches which are fully affiliated to Churches Together in Britain & Ireland or The Evangelical Alliance;
5. children of parents who are members of other faiths but who express a desire for a church school education;
6. the child who has a brother or sister at the School at the beginning of the school year during which they are to be admitted and who has no reference

from a member Church of Churches Together in Britain and Ireland, The Evangelical Alliance or their place of worship (other faiths), with those living nearer being accorded the higher priority as measured by straight line distance.

7. any other applicant, with those living nearer, measured by straight line distance, being accorded the higher priority.

When considering the church categories 2, 3, 4 and 5 above, the following will be taken into consideration:

- a) The parent's/parents' length of attendance at their church/place of worship,
- b) Whether the parent's/parents' commitment could be described as:

- i) at the heart of the worshipping community (communicant members regularly worshipping at services at least weekly)
- ii) at the heart of the worshipping community (communicant members regularly worshipping at services at least twice a month).
- iii) committed to the worshipping community (regularly worshipping at services at least monthly)
- iv) known to the worshipping community (less frequent attendance)
- v) not known to the worshipping community.

The Minister will be asked to confirm how long the parent/parents have been worshipping at the church/place of worship and also their commitment.

- c) A distance factor is used in a tie-breaker situation where two families have equal commitments and length of time worshipping at their church/place of worship. In this case those living nearer to the school by straight line distance will be accorded the higher priority.

[‡] LA sibling definition applies.
