

## Hook

London Underground Tube experience.

## Spiritual and moral

Learn and celebrate cultures from around the world. We will study landmarks and environmental features of other regions.

## Learning beyond our Classroom

We will visit Leeches Garden to complete a habitat hunt.

## Focused Learning Outcomes

We will work to further strengthen our links with our partnership school in Vinjeru, Zambia.

### Art and DT

We will be exploring styles of art from around the world including KJ Carr's London scenes, African Masai art and Australian Aboriginal art. We will be making and tasting foods that are less familiar to us from different places in the world.

### Geography and History

We will be becoming explorers like Christopher Columbus and exploring maps looking at continents, the equator and the poles. We will also learn about where different foods come from.

### English

We will be reading stories from around the world, including 'Why Anasi has eight thin legs' and 'How the birds got their colours.' We will be writing factual information about London landmarks. We will also be learning about our partner school in Vinjeru - writing to them to help us learn about the differences between our schools.

### Computing

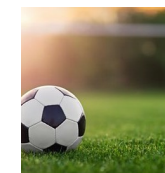

We will be learning about algorithms and how they have changed in our gaming world. We will also be creating our own e-safety gaming poster.

### R.E.

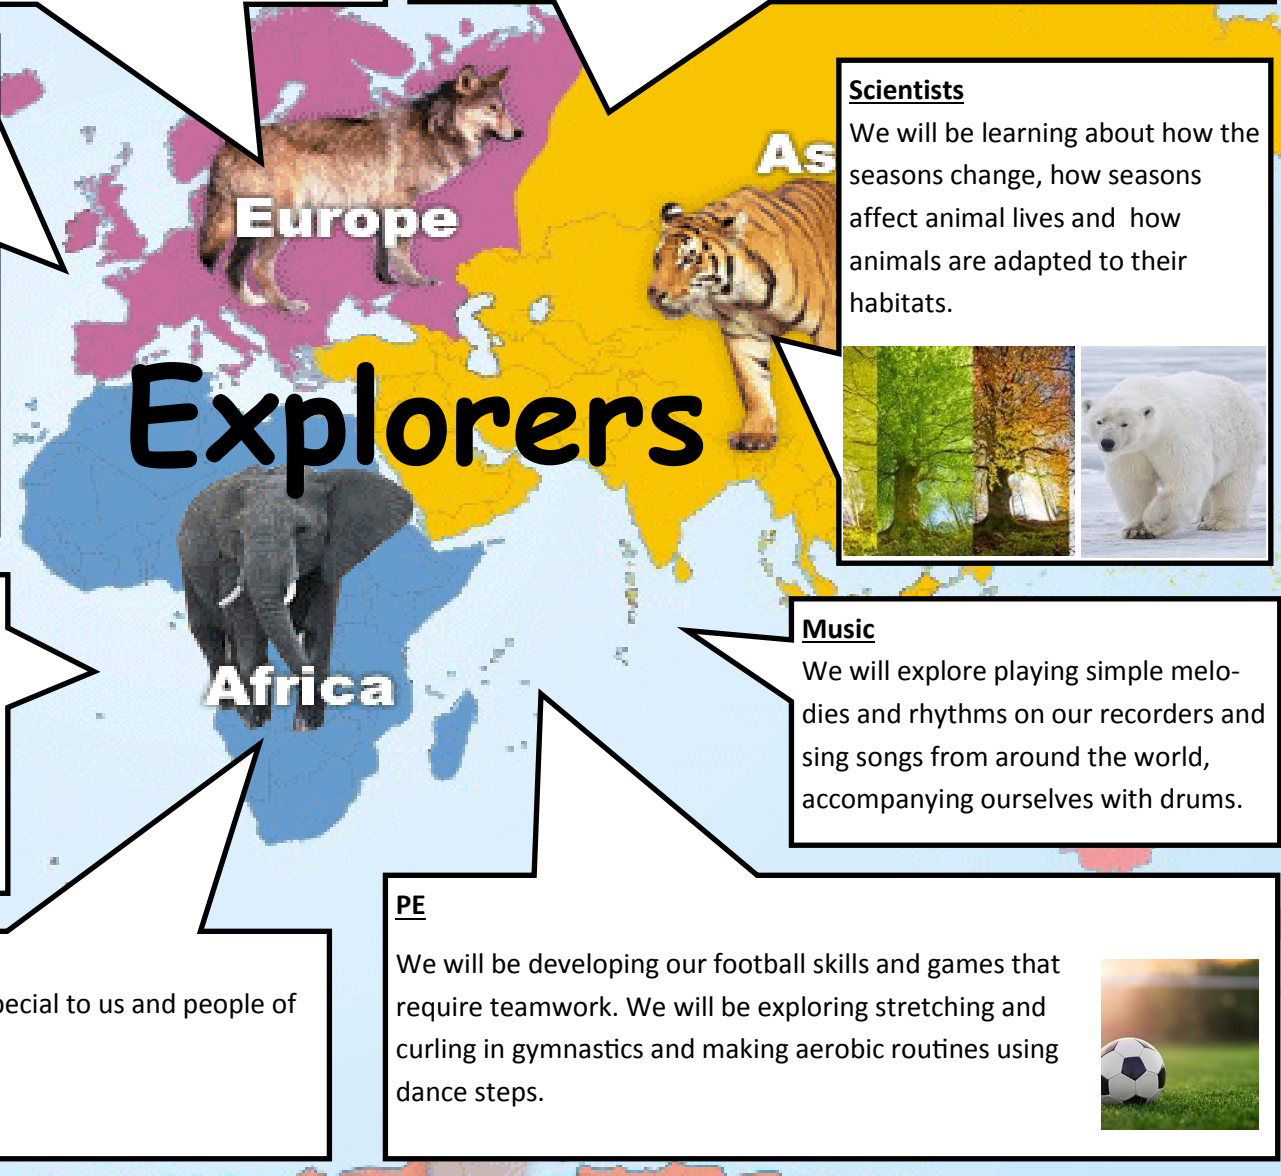

We will be identifying places that are special to us and people of some world religions.

### PE

We will be developing our football skills and games that require teamwork. We will be exploring stretching and curling in gymnastics and making aerobic routines using dance steps.

# Explorers

### Scientists

We will be learning about how the seasons change, how seasons affect animal lives and how animals are adapted to their habitats.

### Music

We will explore playing simple melodies and rhythms on our recorders and sing songs from around the world, accompanying ourselves with drums.

## Antarctica
