24th September 2025

Dear Parents and Carers of EYFS children,

We would be delighted if you could join us to learn more about how we teach maths and phonics to support reading in school. We are running two sessions next month which will include tips on how you can support your child at home with learning to read, along with how we develop their early maths skills. It will be quite informal and in addition to showing you the things we do in school, we will also help you understand the stages of learning that your children will go through.

The 2 sessions (covering both phonics and maths) will take place in the school hall as follows:

Wednesday 8th October 2025 2.00 – 3.00pm

Wednesday 8th October 2025 6.00 – 7.00pm

To help us prepare for each session we would be extremely grateful if you could please let us know which one of the sessions you will be attending by completing and returning the slip below. Note: You do not need to attend both sessions.

We look forward to seeing you all and hope you will find the session both informative and useful.

Kind regards

Mrs K Horrocks

EYFS Phase Leader
