

Date: 7th of January 202~~5~~

Dear Parents, Guardians, and Participants,

We are delighted to welcome you to the Intergenerational Community Project, proudly delivered by Xplore Arts in partnership with All Saints Primary School.

This exciting ten-week programme offers children a unique opportunity to explore the world of animation and film-based skills, while also developing their creative and digital literacy. Through hands-on activities and collaborative projects, participants will gain valuable technical expertise and experience the many well-known benefits of working alongside individuals from different generations.

Intergenerational partnerships foster mutual respect, understanding, and the sharing of knowledge, enriching both young and older participants. This project aims to create meaningful connections, inspire creativity, and build confidence in every child involved.

At Xplore Arts, we are passionate about using creativity for growth, expression, and community building. We are confident that this project will leave a lasting positive impact on everyone participating. We're very grateful to be collaborating with your school, All Saints Primary School, and Hailey House Residential care.

Thank you for joining us on this journey. We look forward to seeing the wonderful ideas, stories, and creations that will emerge over the coming weeks.

Please fill out the Media Release form attached to this letter and return it no later than next Tuesday the 14th of January.

If you have any questions or need further details, please don't hesitate to get in touch.

Kind regards,

Victoria Button - Project Manager
