12th February 2025

Dear Parents and Carers,

FREE ADVERTISING OPPORTUNITY FOR LOCAL BUSINESSES!

This year we're establishing a program at All Saints' that gives local businesses such as yours the opportunity to sponsor different schemes and vital online resources that help with children's learning in school.

In return we will give you Free Advertising across the school community via our Social Media platforms such as Facebook, the School Newsletter and on dedicated advertising pages with links to your business on our School Website. We also plan to incorporate your business pages into the digital rolling gallery we have on display in the main entrance. **Wherever there is sponsorship we will make sure there is a place for us to get your business details out there!**

I've listed a number of the resources we use in school overleaf which we can offer you the chance to provide sponsorship towards. We are already incredibly lucky to have the 'Mymaths' programme sponsored by The Courtyard Clinic.

Our school is fortunate to have such a supportive and engaged community but like all schools we very much rely on the generosity of businesses like yours. This is an opportunity for you to help us continue to support all our pupils with an enriching and diverse curriculum.

If you think you would like to sponsor in some way or have further questions please contact either the Business Manager, Mrs Hewer or the Headteacher, Mr Brown via:

email: admin@allsaintsprimaryschoolmaldon.co.uk

Telephone: 01621 853519

Or do drop into the school where we can make an appointment for you to speak to one of us personally.

Thank you for all the support you already give and continue to give the school.

Kind regards

P Brown

Mr P Brown
Headteacher

Letter-join

Letter-join is a whole school handwriting scheme offering a combination of traditional and digital resources.

NFER

National Foundation for Educational Research

Trusted, standardised, curriculum-aligned reading assessments (both paper and online resources)

Spelling Shed

Spelling Shed's approach to spelling involves the relationship between sounds and written symbols as well as using morphology to help spell through meaning.

SPaG

SPaG.com offers grammar based tests based on the latest government samples for Years 1 through to Year 6.

Phonics Shed

Phonics Shed is a DfE validated systematic synthetic phonics programme which leads into Spelling Shed's complementary spelling system.

Libresoft

Libresoft Librarian is a cost-effective, easy-to-use, cloud-based system for managing school libraries. It's features are aimed at fostering positive student involvement with the library.
