

Week 5 (20th April 2020) Theme - Charlie & the Chocolate Factory KS1

English	Maths	PE and Wellbeing
Watch the film (and share the book if you have it). There are two versions of the film which are both quite different. Sequence the main events in the story using pictures and writing. You could even make a cartoon strip! Write a character description of your favourite character. Create a recipe for a new sweet. Describe the sweet, list the ingredients & write the instructions how to make it. Write a letter to Mr Wonka to persuade him why you should have a Golden Ticket.	My Maths will be regularly set for each year group. Make sweets out of paper/craft materials etc and create your own sweet shop. Give your sweets prices and invite your family/toys to come and buy. Can you recognise all the coins? Can you give change? What shapes are different sorts of sweets? Are they 2D or 3D shapes? Creative (Subjects included - Art, Music, Design & Technology)	Knowledge & Understanding of the World (Subjects included - Science, Geography, History & RE)	
Design a package for your new sweet. Make a package for your new sweet, using your design to help you. Make a poster to advertise your product. Paints a picture of your favourite character in the story. Danny Elfman composed the music for the 2005 version of the film. Search for the soundtrack on youtube and listen to some, including the music for some of the different characters.	Follow a recipe and make some simple sweets - e.g. fudge, truffles. How do the ingredients change when you heat and cool them? Find out about chocolate - where does it come from? What can you find out about John Cadbury? There are some fantastic resources for schools on the Cadbury website which you may find useful. https://www.cadburyworld.co.uk/schools-and-groups/schools/resources Sweet treats are used to help celebrate many religious festivals around the world. Find out about any sweet foods they eat during their special festivities.	
At Alton Towers there is a Charlie and the Chocolate factory ride - see it here. https://www.youtube.com/watch?v=nnleqNXxMgE
