

Week 7 (4th May 2020) Theme: Take One Picture EYFS

English	Maths	PE and Wellbeing
Have a look at ‘Tiger in a Tropical Storm’ and talk about what you can spot. What colours has the artist used? What do you think the tiger is doing?  Then listen to ‘There’s a Tiger in My Garden’ https://www.youtube.com/watch?v=0HTRPtjGvBU Make up your own version of this story, what animal would you find in your garden? You can use small world toys, create a story map or write your story. Create a fact file about tigers. Check out the tigers at Colchester Zoo https://www.colchester-zoo.com/2019/08/our-tiger-cubs-go-exploring/ There are a range of stories about a little girl called Katie who steps into pictures. Here are the links so you can listen to them Katie and The Sunflowers https://www.youtube.com/watch?v=dLx3O02aqyl Katie and The Starry Night https://www.youtube.com/watch?v=nmkPb3Gfg2k Katie visits the gallery with her Grandma. What do you like to do with your Grandparents? Perhaps you could write a card or letter to them telling them.	Have a look at ‘Castle and Sun’ by Paul Klee and see how many different shapes you can spot.  Have a go at this 2d shape game https://www.twinkl.co.uk/resource/through-the-binoculars-regular-2d-shapes-powerpoint-game-t-n-7347 Can you look at a range of different 2d shapes and talk about the properties. How many sides and corners do they have? Look at ‘Snail’ by Henry Matisse, can you see the snail?  Snails have a spiral pattern on their shell, can you make a repeating pattern using spiral shapes. Challenge yourself to make your pattern with 3, 4, or 5 colours.	Go Noodle on Youtube https://www.youtube.com/channel/UC2YBT7HYqCbbvzu3kKZ3wnw Cosmic Kids Yoga on Youtube https://www.youtube.com/user/CosmicKidsYoga Joe Wicks school workouts https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ

Creative
(Subjects included - Art, Music, Design & Technology)

Have a look at this powerpoint all about Kandinsky
<https://www.twinkl.co.uk/resource/t-ad-130-all-about-kandinsky-powerpoint> and have a go at colour mixing. Then follow the instructions to make your own 'dots' painting. Use different coloured circles of paper to make a Kandinsky tree. A great activity if you like cutting & sticking.

Whilst not actually famous for painting pictures, Giacometti is an amazing artist who makes sculptures. Have a look at some examples of his work. Could you make your own sculpture in the same style? You could use crumpled up tin foil, or if you have some, you could use pipe cleaners or straws.

Have a go at a drawing lesson following step by step instructions.
<http://www.robbiddulph.com/draw-with-rob>

Knowledge & Understanding of the World
(Subjects included - Science, Geography, History & RE)

Plant your own sunflower seeds and create your own sunflower diary to record its progress.

Have a look at the lifecycle of a sunflower and make your own life cycle poster.

Have a look at Vincent Van Gogh's Starry night and see if you can find out all about stars. You may want to do some stargazing of your own and write some facts.

Every year, Muslims around the world celebrate the holy month of Ramadan. This year it began on April 23rd. Perhaps you might like to make a Ramadan Paper plate moon and star.#
