

Week 5 (20th April 2020) Theme - Charlie & the Chocolate Factory EYFS

There are lots of resources on twinkl to support the following activities so do sign up as it is free.

English	Maths	PE and Wellbeing
Watch the film (and share the book if you have it.) Draw your favourite character and write a sentence to describe them. If you are feeling like a ‘have a go hero’ then you may want to write 2 or 3 sentences! Design a new sweet or chocolate bar and write a description. Who would you like to take along to Willy Wonka’s factory? Write them an invitation and make them a golden ticket.	Set up a pretend sweet shop and count out pennies to buy different sweeties. You could also practice adding and taking away at your sweet shop eg. you have 2 jelly beans and 4 smarties how many altogether? Have a go at sharing a bar of chocolate or bag of sweets fairly with other members of your family. How can you make sure everyone has the same amount? If you are lucky enough to have a bag of assorted sweets then before you eat them sort them and count how many of each type of sweet you have.	Go Noodle on Youtube https://www.youtube.com/channel/UC2YBT7HYqCb_bvzu3kKZ3wnw Cosmic Kids Yoga on Youtube https://www.youtube.com/user/CosmicKidsYoga Joe Wicks school workouts https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ
Creative (Subjects included - Art, Music, Design & Technology)	Knowledge & Understanding of the World (Subjects included - Science, Geography, History & RE)	
Decorate some cardboard sweeties, perhaps you can use them in your shop. Use some junk modelling to make a package for your new sweet or chocolate bar. Paint your favourite character from the story. Compose and perform a song about a sweet or chocolate bar.	Follow a recipe and make some simple sweets - e.g. fudge, truffles. How do the ingredients change when you heat and cool them? Find out about chocolate - where does it come from? Find out why we cannot eat chocolate for every meal. Look at healthy and unhealthy foods and how we should balance them in our diet. https://www.nhs.uk/live-well/eat-well/the-eatwell-guide/ Twinkl has some excellent resources for this too. Have a go at this sweetie colour mixing experiment https://www.twinkl.co.uk/resource/t-t-2547911-ks1-skittle-colour-mixing-science-experiment	
Make some chocolate playdough using this recipe https://theimaginationtree.com/easy-chocolate-play-dough-recipe/
