

**Making memories to build memory through:**

We will visit our local fire station and learn about our fantastic emergency services. We will also have a Great Fire of London workshop in our school hall to show us what life was like in 1666 before, during and after the fire.

**D.T.**

Inspired by Thomas Farriner's bakery, we will be exploring how food has changed over the years since 1666 and have a go at making some of our own.

**English**

We will be writing diary entries about the Great Fire of London and from the perspective of Thomas Farriner. We will also be performing our own fire poetry.

**P.S.H.E.**

We will be looking at internet safety and harms as well as considering the impact that screen time can have on our physical and mental well being.

**R.E.**

We will be answering the question "Who is a Muslim and how do they live?"

**History**

We will be learning about the Great Fire of London, the reasons why it started, why it continued to spread and what measures were taken to make sure it didn't happen again in the future.

**Computing**

We will be creating media through digital photography.

**Science**

We will be learning how to change variables in our Scientific experiments. We will also be experimenting with spreading fire and learning about fire safety.

**Music**

Starting with the song London's Burning, we will sing, play and compose on the topic of fire. We will use our recorders and also listen to and respond to pieces written about fire, using simple rhythm notation.

**P.E.**

We will be improving our Striking and Fielding as well as Movement skills.

# Fire Fire!
