

Making memories to build memory through:

We will be visiting and exploring a wide variety of countries each week and learning about their cultures and traditions.

Art

We will be exploring styles of art from around the world including KJ Carr's London scenes, African Masai art and Australian Aboriginal art.

Geography

We will become explorers and explore maps looking at continents, the equator and the poles. We will also learn about where different foods come from.

English

We will be reading stories from around the world and learning about different cultures and we will be writing fact files about London and it's landmarks.

Explorers

Science

We will be learning about how the seasons change, how seasons affect animal lives and how animals are adapted to their habitats.

Computing

We will be perfecting our computing skills by learning how to log on and use a Chromebook correctly and safely.

Music

We will explore playing simple melodies and rhythms on our recorders and sing songs from around the world, accompanying ourselves with drums.

R.E.

We will be answering the question "Who do Christians say made the world?"

P.S.H.E.

We will be looking at families and people who care for us. We will also be learning about internet safety and harms.

P.E.

We will be looking at Multisports skills and improving our teamwork skills through Cooperation.
