

Making memories to build memory through:

We will visit a local castle and learn about its history and features.

Art

We will be inspired Paul Klee and create a shape picture of a castle using print.

DT

We will design and make a healthy salad for the king's lunch.

History

We will look at different types of castles across the United Kingdom and learn about their history and features.

English

We will look at features of a castle and the job roles within it. From this we will put ourselves in the shoes of those who worked in a castle and write a diary entry about a day in their life. We will also create our own fairytales.

Computing

We will collect data and information and from that make our own pictograms.

Towers Turrets Tiaras

Science

We will explore a variety of materials and find out whether their shapes can be changed.

Music

We will use The Princess and the Pea as a starting point for singing and playing music.

R.E.

We will be answering the question "Who is Jewish and how do they live?"

P.S.H.E.

We will be focusing on why we have rules in our school and communities as well looking at differences between ourselves and others.

P.E.

We will be learning how to play Team Games and learn multiple skills through our Multi Skills PE lessons.
