

Making memories to build memory through:

We will visit areas of nature and look at a variety of plants and conditions in which they grow.

Art

We will be using Vincent Van Gogh's Sunflowers piece to inspire our artwork.

Geography

With a plant focus, we will look at global ecosystems and how various plant life is able to grow in them.

English

We will be looking at the traditional tale of Jack and the Beanstalk learning the story and then changing some parts to make them into our own story. We will create our own shape poems.

READY
STEADY
GROW

Science

We will learn to identify and describe common plants and trees and then grow our own plants, looking at the conditions required for growth and the life cycle of a plant.

Computing

We will be developing our photography skills and taking snapshots of our beans growing.

Music

We will be using sing percussion instruments to explore dynamics—loud and soft sounds.

R.E.

We will be answering the question “How should we care for others and the world and why does it matter?”

P.S.H.E.

We will learn what it means to be ‘safe’ in lots of situations.

P.E.

We will improve our Fundamental Movement skills as well as practice our Striking and Fielding.
