

**Making memories to build memory through:**

We will be inspired by a seaside experience day involving a beach party.

We will be taking part in our schools Sports Day.

**English**

We will enjoy a seaside experience and use this to create seaside senses poems. We will be writing postcards and using a variety of stories to inspire us.

**Computing**

We will become programmers and create our own quizzes through an application based on what we have learnt so far this year.

**P.S.H.E.**

We will learn about changes to our bodies and focus on respecting personal boundaries.

**R.E.**

We will be answering the question "What does it mean to belong to a faith community?"

**DT**

In DT we will explore pulley systems and create a Lighthouse inspired by 'The Lighthouse Keeper's Lunch'.

**History/Geography**

Using images and videos we will be looking at the differences between seaside holidays in the past and present. We will also look at the Human and Physical geographical features of a coastline.

**Science**

We will monitor the weather over the half term using our classroom weather chart and we will look at seasonal changes.

**Music**

We will use the song 'I do like to be beside the seaside' as a starting point for seaside compositions

**P.E**

We will be developing the disciplines of running, throwing and jumping in Athletics, as well as our other Multisports skills.

# Oh I Do Like to Be Beside the Seaside
