

Making memories to build memory through:

We will visit Colchester Castle and learn and perform the Saxon story of Beowulf.

Art
We will explore Celtic art and illuminated letters. We will learn about & create Roman mosaics.

English
We will learn & retell the story of Boudicca through drama and story mapping. We will write a diary entry as Boudicca and write letters as a Roman Soldier.

PSHE
We will look at rules and laws, recognising why they are in place and how they help us.

History
Firstly we will establish the historical context of the Romans, in relation to the Iron Age. Next we will learn about the spread of the Roman Empire, the Roman army & Roman gods. We will also learn about the story of Boudicca.

Computing
We will research a topic and then create our own wiki pages.

R.E.
What do Hindus believe God is like?

Celts & Romans

Geography
We will look at the Roman Empire and compare this to the British Empire. We will name cities and plot their locations.

Science
We will continue our learning of forces by learning about magnets, including investigating the magnetism of materials that the Romans would have used for armour. We will also explore different magnet experiments using scientific enquiry skills.

Music
We will study time signatures. Celtic tunes with 3 beats in the bar (with a Wassailing ceremony) will be compared to Roman marching music with 2 beats in the bar.

French
We will learn numbers up to 31, the months of the year, seasons and dates. We will also learn to say how old we are and ask someone else their age. We will also write a birthday wishlist.

P.E
We will play invasion games and develop our gymnastic skills.
