

Making memories to build memory through:

The children will take part in a Home Front experience at school and visit Maldon Combined Military Services Museum. Children will redesign, build and test their own air raid shelters having examined previous Anderson shelter designs.

Art

We will look at WW2 propaganda posters, and create our own in the same style. We will also look at using the drama and experiences of the Blitz as inspiration for some artwork.

English

We will use the books, Goodnight Mr. Tom and The Lion and the Unicorn, as inspiration for our writing units. We will write letters as evacuees; write narrative stories set in a historical setting; write character descriptions and write non-chronological reports based on real-life events or missions during World War II.

Computing

We will be Cryptographers by using computational thinking to help crack codes.

PSHE

We will explore ways to check that a news story is real, how to behave online and how to ensure our safety. We will also look at how our body changes.

R.E.

We will learn about what kind of kin Jesus was for Christians and also why some people believe in God but others do not.

French

We will learn prepositional phrases and negative structure to describe where places are or are not located as well as directional language to guide someone to a place. We will then produce a tourist leaflet.

History

We will learn about the Second World War including; rationing, evacuees, home life, the Blitz and warfare. We will also learn about special covert operations and the countries that were involved with the war.

Science

We will be investigating animals, including humans, and development into old age.

Music

We will learn to play the James Bond theme on a variety of instruments. We will be inspired by a range of music from that era. We will also learn our end of year production songs.

P.E.

We will look at 1940's swing dancing. We will also practise and improve our Athletic and cricket skills.

DT

We will be looking at seasonal produce and how it can be used to create a meal especially during a time of rationing.

We'll Meet Again
