Do you know the commodities in **Minecraft, Roblox** and **Fortnite** ?

Do you know by restricting the 'chat' in games, this does not stop your child talking to other people and can put them at more risk

Do you know that having the wrong settings on your social media apps can expose your young person to grooming or put them at risk from Bullying?

Do you know how gang culture and radicalisation online can affect your child?

Do you know the power of online influence is having on your child?

Do you know that the biggest growth in self-generated images is in Primary School Years across the county?

Essex Sexual Health Service and Suffolk Sexual Health Service are working with 'The Two Johns' (Online Child Sexual Exploitation Experts) as part of Sexual Health Week 2025, with this year's theme being 'Chronically Online'.

The Two Johns will lead the session, opening your eyes to a world that we, as adults, didn't grow up in. The session aims to make sure you are aware of the dangers, know the signs, and explore what you can do to help keep your child safe. The session will also cover an overview of local sexual health services, support available, and how these can be accessed by young people, as well as signposting parents and carers to platforms to support them to have conversations with their young people around healthy relationships and sexual health.

This free event is aimed towards any parents and carers in Essex (excluding Thurrock and Southend), or Suffolk, or if your young person attends an educational setting these areas.
