Parents please try to upload your children's work to tapestry as this will contribute to their online learning journal for the year. We have uploaded a short tutorial explaining how to do this if you are not sure. Also please feel free to email us with any questions you may have.

Thank you for your continued support during this difficult time.

Please note if you do have a printer and you would like some extra activities that the children may do independently you can find these on tapestry in the documents section
