

Good Morning Badgers and Otters - Welcome to Friday 2nd July 2021

I hope you are feeling safe and well. I have again produced a presentation that has all the details you need to complete your day's lessons.

I have also completed a video to talk you through the lessons and tasks. I will again go through the day first before going back to add more detail to the lesson that need more explanation.

All documents mentioned in this presentation are available to download from the school website under the LKS2 Class Pages tab, which can be found here:

<https://www.allsaintsprimaryschoolmaldon.co.uk/lks2-2/>

I would love to see any of your amazing work so please do email it to year34@allsaintsprimaryschoolmaldon.co.uk

Take care and stay safe,

Mr. Bearman :-)

Good Morning Badgers and Otters - Welcome to Friday 2nd July 2021

List of lessons for Friday 2nd July 2021

<u>Lesson</u>	<u>Information</u>
English Writing	<u>WALT: write a recount (Wacky Races recount)</u>
Maths	<u>Moving on a Grid</u>
PSHE	<u>A Time for Reflection</u>

Each day I will give you a list of lessons and resources however, the order you complete them or the amount of time you give to each activity is up to you. I encourage you to try your hardest but I fully understand that everyone will be working to a different timetable.

Friday 2nd July 2021

WALT: writing the recount

Structure

Structure

CHALLENGE YOURSELF

Can you include:

- ☐ A simile
- ☐ Personification
- ☐ A sentence starting with an ing word
- ☐ At least 5 Conjunctions - A WHITE BUS

Friday 2nd July 2021

Maths Lesson - Draw on a Grid

For Maths today, I have chosen another lesson from the WhiteRose Maths home learning website.

Try your hardest to do as much as you can. I will also post the answers on the website so you can check your work.

Good luck!

Move on a grid

Click on this [LINK](#) and choose the lesson called "Move on a Grid"

Follow the lesson and do the practise questions as you watch the video. Then complete the related worksheet, which is pictured on the right.

(The worksheet is on the school website)

Translation with coordinates

- 1 Four points have been plotted on a coordinate grid.

- a) Translate each point 3 to the right.
b) Complete the table to show the coordinates of each point before and after the translation.

Point	Coordinates before	Coordinates after
A		
B		
C		
D		

What do you notice?

- c) Which part of the coordinate stayed the same? _____
d) Which part of the coordinate changed? _____
e) Point E has the coordinates (12, 4). It is translated 3 to the right.

What are the coordinates of the translated point? (,)

Friday 2nd July 2021

A Time for Reflection

Friday 2nd July 2021

A Time for reflection.....

Name:

It is always good to take time to reflect on what you have achieved or experienced in the year. As we come to the end of the academic year, it is a good time to look back and think about what you have achieved. By doing this, we can often remember things that we may have forgotten, challenges that we may have overcome, or achievements that we have forgotten. By looking back and remembering these things, we can use it as motivation to look forward, set new goals and help us achieve more and be the best versions of ourselves.

What was the favourite thing that you did this year both inside and outside school?

What did you find challenging this year that you are pleased you overcame?

What do you want to keep trying to improve both inside and outside of school?

What do you think you have got better at recently? What are you most proud of achieving over the last year both in school and outside?

Looking forward, what is it in the next few months or year, both in school and outside of school, that you are both excited about or looking forward to?
