29th June 2026

Dear Parents and Carers,

Car Show on the School Field - Monday 7th September 2026

Two years ago, and two years before that, as an introduction to our Top Gear topic, the Year 3 and 4 children had an amazing car show on the school field. It was so amazing and so well loved, that we'd like to do it again, and that's where you come in! We would love to see participants from the whole school community.

So what are we looking for? Exciting and unusual cars would be great; perhaps vintage cars or hi tech cars. But it doesn't just have to be cars, we are looking for all sorts of vehicles. Previously we have had some camper vans, some go karts, a tandem bike, a fire engine, a tractor and so on.

The date for the car show is Monday 7th September and we would like you to bring your vehicles to school between 9.00am and 9.15am. You will be asked to park on the school field and the large access gates on Highland Drive will be open. There is no particular/special place for you to park, vehicles will be spread out all over the field.

The children will start to come out of their classrooms to see you all at about 9.30am. They will be put into small groups with an adult. Both they and we would love to hear about your vehicle, any special features, exciting history, family stories etc. I am sure they will have questions! It is entirely up to you if you would like to invite some of them to sit in your vehicle or not. It is difficult to tell how long it will last but, weather dependent, I expect to keep going until around 11.00am. I hope that this will be convenient for you. **Note:** I would be extremely grateful if you could please wait until the children have gone indoors before driving your vehicles away.

If you think that you might be able to participate in the car show (for the first time, or because you enjoyed it so much last time!) please get in touch. I would be grateful if you could contact me via the Y3/4 email which is Year34@allsaintsprimaryschoolmaldon.co.uk and I will add you to the list.

Thank you in advance,

Sarah Gibson

Miss S Gibson

Y3/4 Phase Group Leader
