

Bikeability is open for booking NOW For Year 5

Bikeability is a fun course run by Essex County Council. It helps children learn essential practical skills and understand how to cycle safely on today's roads. The course starts off-road in the playground for Level 1 and if pupils meet all the required outcomes, progresses to the local roads for Level 2.

What you need to know...

- To take part, pupils need to be able to ride without stabilisers, pedal one handed, and look behind whilst maintaining a straight line.
- Instructors may adjust the cycle, however if they deem it not roadworthy, they may have to discontinue training for that pupil.
- If you require hire of a cycle please let the school know as soon as possible **including the frame size**. Hire bikes are allocated on a first come first served basis and availability is not guaranteed. See second page for sizing details.
