

# MY INVESTIGATION PLAN

What do I want to find out? *Post a question*

---

---

---

Variable. *What am I going to change?*

---

---

---

Constants. *What am I going to keep the same?*

---

---

---

How am I going to monitor the progress of my investigation?

*Observe, how often? Take notes/photos.*

---

---

---

My Prediction. *What I think will happen and why?*

---

---

---

Sketch a diagram of the investigation.
