

Play in groups of 2 to 4.

Start			
20	19	18	17
16	15	14	13 (miss a turn)
12	11	10	9
8	7	6 (miss a turn)	5
4	3	2	1
Home			

What you need:

- ① Choose a and put it on 20.
- ② Take turns to roll the to get a number.
- ③ Subtract by counting back from where your is.
- ④ The first player to reach **Home** wins!

Guided Practice

Subtract by counting back.

11	12	13	14	15	16	17	18	19	20
----	----	----	----	----	----	----	----	----	----

(a) $15 - 2 =$

(b) $17 - 3 =$
