

Progression in Compassion

Skills	Early Years Foundation Stage	Key Stage 1 (Years 1 and 2)	Lower Key Stage 2 (Years 3 and 4)	Upper Key Stage 2 (Years 5 and 6)	As All Saints' Pupils make the transition to secondary school we want them to be able to . . .
Understanding and managing own feelings. Developing relationships. Showing care towards others. Being able to put themselves in the position of others.	We will be developing relationships as we make new friends. Learn what it is like to be part of their new school community. We will explore our role in the local community and think about how we can help others. Begin to take part in charity days. We will invite new children to visit us and make them feel welcome.	We will use the film Toy Story to explore the themes of friendship and bullying. We will think about patterns in our daily lives and how we show respect and care for other people. We will build on our learning about what it means for people to belong to different communities. Take part in charity days. We will develop our sense of community, understanding the importance of working together and looking after each other.	Take a more active role in charity days. Begin to self-reflect on our own compassionate development. Take a lead role in developing empathy for the wider world through International ambassadors. We will learn about the teachings of Jesus through Parables and think about the examples he set where he showed empathy and compassion.	Year 6 children take part in the Up project. Year 6 children take part in the play leader programme. We will explore how Christians support people in need at a local and world level. Take a lead role in developing empathy for the wider world through International ambassadors. Children self-reflect on their own compassion and empathy through the Shine Award Children lead charity events.	Through a range of learning opportunities we aim to develop children that are caring towards one another and show empathy for the wider community of the world.
