

Years 5\6 visit to All Saints' Church

On Tuesday 3rd of November, we went to All Saints' church because this half term in RE we will be studying what happens in the inside of a church. We came to school at normal time and did our Collective Worship as normal. After Collective Worship, we came back to class and we talked about what behaviour was expected of us. We put our coats on and started walking sensibly to the church.

When we got to the church all three classes which are Turtles, Seahorse and Starfish, sat down in the pews and Mr Cairey explained to the other classes what he told us. Reverend Asa Humphries was meant to be there but he was ill so he couldn't come but instead he put together a little leaflet that had some questions in it such as drawing the font, pulpit, altar and a lectern.

We were allowed to walk around the church in little groups or by ourselves. It was really fun to be able to go into church again as the last time we went there was Christmas in 2019. Mr Brown's dad was there to answer any questions we had.

Once our visit had come to an end, we put our coats on and headed out of the church, a class at a time to go back to school to continue our learning for the day. All of us had a fun time, and we all love it when we get the opportunity to go as it is a really nice church that has really nice staff. Thank you so much. We had a lovely time and hope to be back there soon.
