

Week 2 - The Pacific Ocean

Poster against pollution

Date: 29/04/22

CORAL

Our coral is one of the most beautiful living things in the ocean, but we are ruining it and bleaching it!

GREEN
RECYCLE

WOW FACT
it would take
100 days to
clean up it individu-
ally!

There's not just
one of these
there's millions!

It's like a cloud
ment
of rubbish raining
in the sea!

I'm not
ment
to be here
