

At All Saints' C of E Primary School, we believe that Every Child Shines. We are committed to providing a broad range of high-quality learning experiences in a purposeful, caring environment so that all children become successful lifelong learners. Through our ethos and curriculum, we aspire to enable all pupils to fulfil their potential in terms of their academic, cultural, moral, physical, social and spiritual development. We all have our part to play in achieving this aspiration.

As a school we will strive to:

Be open and welcoming and offer opportunities for parents and carers to support the school in many different ways.
Ensure that we provide a safe and healthy environment for our whole school community.
Provide an exciting broad and balanced curriculum that inspires learning and meets the needs of individual children.
Communicate to parents about school activities and policies through our website, school letters, twitter page and our school comms.
Inform parents about their child's progress through parents' evenings and an annual written report.
Through establishing positive relationships with parents, the school will bring concerns in respect of a child's work, behaviour or attendance to their attention, as well as celebrate success.
Prepare children for a digital world, educate them about how to keep safe online and use technology responsibly.

As a Parent or Carer we hope that you will support your child/children by:

Taking an active interest in their daily life at school.
Supporting them with any homework they are given in line with the homework policy.
Supporting the school's policies for discipline and behaviour.
Informing the school about any problems, concerns or change of circumstances that may affect their work or behaviour.
Attend open afternoons to view their work and parents' evenings to discuss their progress.
Make sure they attend school regularly and are on time for registration between 8.30 and 8.55am In the event of absence you will inform the school office by 9.30 am.
Ensure that they have the appropriate equipment for school, including PE kit, a smart school uniform and clothes appropriate for the season/weather.
Supporting the school in modelling how to use the internet and technology responsibly and safely, including through the use of social media.

As a Child at All Saints' we hope that they will:

Take a positive approach to all aspects of school and always try to do their best.
Take pride in their work and achievements and the work and achievements of others.
Become more independent and take responsibility for their learning; they will ask questions to learn more each day.
Wear their uniform with pride and be smart and tidy in appearance.
Do their best to complete homework.
Be friendly, polite and respectful to all the adults and children they meet in school and when representing the school.
Take good care of the school environment and equipment.
Ensure their own and others safety in school.
Use technology, including social media and the internet, responsibly and safely, reporting any concerns to an adult they trust.
