8th January 2026

Dear Parents and Carers

Re: Year 5 & 6 Essex Life Saving Sessions

The Essex Life Saving Group will be in school to deliver first aid and resuscitation training to all of our Year 5 & 6 children in small groups over a number of sessions. This is an excellent life skill which we aim to provide each academic year. Those pupils who have completed the training in previous years have found it both interesting and thought provoking.

The sessions will take place as follows:

Thursday 29th January 2026 - Year 6

Thursday 5th February 2026 - Year 6

Thursday 5th March 2026 - Year 5

Thursday 12th March 2026 - Year 5

For year 5 children this will be something brand new but for the year 6 pupils it will develop and advance the skills they learnt last year.

The total cost of this activity will be **£2.00 per child**. Your consent for your child to attend the training and payment can be made online using the School Gateway App. In line with the Education Reform Act of 1988 (Section 118 (2)), this amount can only be asked for as a voluntary donation and will not prejudice any child's attendance. However, I must stress that if enough donations are not received then opportunities of this kind will have to be cancelled. The school does not receive funding for activities of this nature.

If parents are unable to make any voluntary contribution because of financial difficulties, please discuss this with Mrs Hewer. If your child is unable to attend an activity due to illness, then the cost of that activity will be reimbursed.

Kind regards

SCairey

Mr S Cariey

Upper Key Stage 2 Phase Leader
