Dear Parents and Carers,

Re: Harry Potter Warner Brothers Tour

During the Spring Term 2026 we will be studying one of our favourite topics in school, "The Magic of Harry Potter". This topic is really popular with the children and encompasses a wide range of subjects giving them the opportunity to demonstrate their skills in lots of different areas.

As part of the topic we are looking into the feasibility of a trip to Warner Brothers Studios for a "Making of Harry Potter Tour". Here the children will be immersed in the world of Harry Potter with not only a studio tour, but lots of exciting activities that are exclusive to school visits. Schools pay a slightly discounted price for entry to the Studios.

We have looked at the cost per student, taking into account the amount the school has to pay for entry to the tour along with coaches to transport us there. In order to make it feasible **we would need parents and carers to commit to paying £37.50 per child**. Without this commitment we are unable to book the trip.

Please let the school know if you would like your child to attend this trip and that you commit to paying £37.50. You can do this by completing the attached slip and returning it to school or by reply to this email. **Please note: The money for the trip would not be due for payment until after the Christmas break when you will be sent further details.**

Please let us know no later than Wednesday 24th September. Once we have received a sufficient number of responses we will decide if the trip will be feasible and book a date. We will then confirm details.

Kind regards

Mr S Cairey

Harry Potter World - Warner Brothers Studio Tour

I commit to paying £37.50 for my child to attend a potential Harry Potter Trip in Spring 2026.
(I understand that no money is required at this stage - this is an expression of my commitment to pay this amount if the trip goes ahead).
