What's been happening in our school...?

**A few words from our Headteacher Mr Brown:**

Moving up and moving on!

I was incredibly proud of our Year 6 students who this week visited their new secondary schools and as I would expect were amazing ambassadors for All Saints' School. I have received some really positive feedback from staff at the Plume in particular about the children's transition visit on Wednesday.

Similarly I was also really proud of all the children this morning as they met their new classes, their teachers and supporting adults who they will be working with next year. It was so heartening to see children excitedly engaged in activity in their new classes and making those early connections with their classmates. I was also inundated with children at break time wanting to tell me all about their new classroom and teacher!

We also welcomed all of our new Cygnets and Ducklings into the school for their first taster session in their classroom who did brilliantly well. I'm sure Year 6 students and their parents can remember that moment which feels like only yesterday. What advice would our outgoing Year 6 students give to our incoming EYFS children I wonder?

**Well done!**

# A massive thank you to our PTA!

£861.20 the  
May school  
discos and  
parties!

£1756.01  
from the  
summer  
fete!

Thank you to our awesome PTA. This group of wonderful volunteers work tirelessly to provide both the children and adults with lots of fun and exciting activities which make much needed funds for the school.

These events include the School Discos and Parties, Summer and Christmas fetes and inflatables-days amongst others! They also do an amazing job of collating and organising the pre-loved uniform which is a huge job. It is so appreciated as a way for all parents and carers to not only save a bit of money but also to be more sustainable at the same time!

Behind the scenes the money that comes from these events help the school to provide for all the children in school in lots of ways. For the past few years they've funded the coach for Year 6 children to attend their Hilltop Residential, they've also funded technology such as the new Chrome books. They have also made a commitment to help the school fund new play equipment used at playtimes.

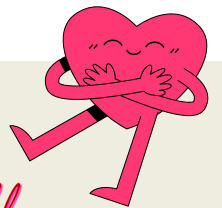

Remember, the money you spend, the time you give, the prizes you donate all go directly towards enriching all of the children's experience in school. You really do make a difference and we sincerely appreciate it.

*YOU can make a difference*

Come and meet us on Tuesday 8<sup>th</sup> July at 2pm in the Music Room. We shall be holding a short meeting which we would love you to attend. Refreshments will be served and siblings are welcome to come along (as toys will be available). We do understand that people are busier than ever and there aren't enough hours in the day! But one thing we'll always be grateful for (and continually ask for!) is volunteers. It might be just an hour, it doesn't have to mean working front of house at an event or even working directly with the children. It could even be just providing us with some much needed inspiration and new ideas for raising funds. Get in touch using the PTA email address above.

# WHAT A BUSY TIME AT SCHOOL!

Important Diary Dates  
Please note these may be  
subject to change

No two days in school are ever the same. The children work super hard in their lessons but get to enjoy a myriad of extra learning opportunities too. This might include a school trip that links to their topic, a visit from an author or local dignitary, taking part in a sporting or music event or even meeting some of the people in the community who support and take care of us.

For the EYFS children this has included a visit from The Police, The Fire Service and The Coastguard in the past few weeks - what a treat! They got to talk to the amazing crews, be shown their specialist vehicles, see the blue flashing lights and listen to the loud sirens.

To celebrate their "Oh I do Like to be Beside the Seaside" topic" the KS1 children had a beach party in school. This included a day of activities that were all beach themed. The coastguard (who were in school seeing the EYFS children) extended their visit to talk to KS1 about beach safety. The children designed and made sandcastles and did a rock pool activity using the trusty school paddling pool. Games included beach volleyball, cricket and skipping. Then to top off what was already a day of broad smiles, happy laughter and adventure, the ice cream man visited the school to serve up scoops of ice cream.
