What's been happening in our school...?

back to school

**A few words from our
Headteacher Mr Brown:**

Welcome back to a new term and a new year! They seem a long way off now but I hope you enjoyed your Christmas and New Year celebrations!

The children have returned to school exceptionally well and are already immersed in their new topics. You should all have received a termly newsletter from staff and a copy of the enrichment homework via email but if for any reason this is not the case these can be found on the school website.

Despite being the shortest term of the year the Spring term is always a particularly busy one with so much to fit into a short period of time. As ever we try to keep parents informed of important dates and you can see these on page 3 of this newsletter.

I look forward to updating you on the many achievements in school during the next few weeks but I have been particularly proud of our Up Project children this week who began a new relationship with the residents of Hailey House. As ever they were amazing ambassadors for the school as well as being an absolute credit to their families. Well done children and thank you Mrs Dale and Ms Rhodes for your support in this project.

Please keep reading for more important info and news....

**Thank
you so
much!**

Annual Festive Recycling at Forest School

Thank you to all those people who kindly donated their old Christmas trees to the forest school area at school. These have been much loved and widely used by the children during their outdoor sessions. It really is a brilliant way to help them to be creative and embrace their imaginations. Branches make excellent roofing materials, the trees are comfortable sofas and beds in dens, even the needles make a fine ingredient for the mud kitchen! The possibilities are endless. We are still happy to take donations - just lob your tree over the fence!

AFTER SCHOOL CLUBS ARE BACK NEXT WEEK!

Once again we are excited to offer our after school club provision. There are lots to choose from including dance, choir, drama, hockey and football. Clubs for different key stages take place on different days - the School Gateway app will show you what is available to book and allow you to pay for your child to attend (only those clubs showing on the app still have places available). All clubs will start on w/c 20th January with the exception of choir (starting the 29th January). Thanks for all of your support, we hope the children enjoy whichever clubs they chose to join.

if your child has permission to walk home alone

We understand that as the children grow up and become more independent in UKS2, you may decide to give permission for them walk to a designated meeting place, or straight home, after the school days ends. To ensure the safety of the children, we will only allow this if you first give the school instructions to this effect in writing. You can do this by email at:

admin@allsaintsprimaryschoolmaldon.co.uk

Please ensure you include the following information:

- Child's name
- Class and year group
- Which days of the week you are giving permission for them to leave school alone
- If this permission includes when they attend an after school club

STOP: Name it or lose it!

Please put your child's name in all their belongings. Lost Property is the fastest growing area of the school and an avalanche of school jumpers, cardigans and water bottles could engulf us if it continues to accumulate! We really want to re-unite items with their rightful owners and can only do so if they are named. So grab a sharpie and go go go!
