Welcome Back Everyone!

Hello to all our New EYFS children!

A welcome message from our Headteacher: Mr Brown

I'd like to extend a warm welcome back to all the children and parents of All Saints' C of E Primary School and especially all those new to the school. We have already had an incredibly busy week with Y3/4 kicking off their new 'Top Gear' topic with a car show on the school field, lots of the older children have signed up to lead Collective Worship and our new children in Ducklings and Cygnets classes have made a fantastic start to their school journey and are settling well into school life.

Part of what makes our school special is the relationships within it and of course that includes the relationship between staff and parents. In order to keep smooth communication between the school and home we have a number of different forums to support information being shared.

Firstly there will be regular written communication in the form of letters and newsletters which will be sent via email. They can also be found on the school website should you miss anything. The school website (www.allsaintsprimaryschoolmaldon.co.uk) has a wealth of information to share with you, most notably the school menu and the term dates. Please note, the website is mobile phone friendly so it is very easy to access information about school life here.

If you are someone who likes to engage with social media then you might like to join our Facebook community page: 'AllSaints CofE Primary School Maldon. Community page'. This is a private group which you can request access to and is a space to share successes both inside and outside of school and for parents to engage positively with one another.

If you have a concern or need to speak to someone directly about something specific to your child then please use the school email address as follows: admin@allsaintsprimaryschoolmaldon.co.uk

Alternatively you can contact the teaching teams in their phases through the emails below:

EYFS (Ducklings / Cygnets) : eyfs@allsaintsprimaryschoolmaldon.co.uk

KS1 (Leopards / Lions / Tigers) : year12@allsaintsprimaryschoolmaldon.co.uk

LKS2 (Otters / Badgers / Foxes) : year34@allsaintsprimaryschoolmaldon.co.uk

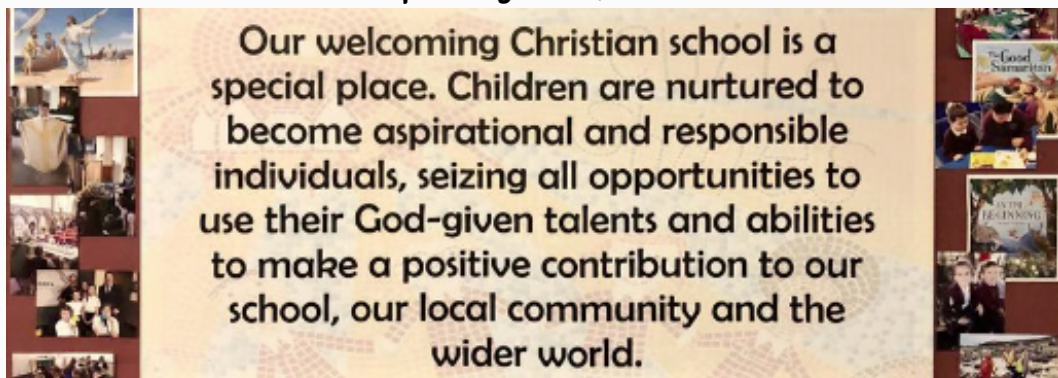

UKS2 (Seahorse / Starfish / Turtles) : year56@allsaintsprimaryschoolmaldon.co.uk

There might be times when you need to speak to a member of staff at the door to the classroom at drop off or pick up time and this is also an effective way of communicating, however please do keep in mind that school staff will be welcoming or dismissing a class of pupils and so it may not be possible to speak at length. It might be better to pass information on to teachers through the school office.

Thank you for your ongoing support and I look forward to speaking with you all over the next few weeks at the gate.

Many thanks

Mr Brown

School Routine:

Our school day starts at 8.30am and registration takes place promptly for all children at 8.45am. Please collect your children at the end of the day from their classrooms at 3.15pm.

STARTING IN OCTOBER:

If you shop at Tesco please consider popping a blue coin in the box to vote for All Saints'. We are hoping to win a Stronger Starts Community Grant to go towards new Sports Equipment which the children will love. Voting commences at the begging of October at the following stores:

2190 Burnham On Crouch Exp Small unit CM0 8HQ

2391 Danbury Express Small unit CM3 4QW

2882 Maldon Extra Large unit CM9 4LE

CAR SHOW AT ALL SAINTS'

This Week saw the biannual Car Show at All Saints'.

What a start to the term! Year 3 and 4 were treated to some very interesting vehicles. Some old, some new, some fast, some slow, some big, some small, some with sirens, some with very LOUD HORNS and some with very bright and colourful paint work. What a way to bring the New School Year and their new topic to life. The children behaved impeccably, they were polite, asked intelligent and interesting questions and listened attentively to the answers. Our visitors were very impressed and loved their interactions and enthusiasm. Well done Year 3 and Year 4 and good luck with this super exciting topic! We can't wait to see what wonderful work this helps inspire!
