Week Ending 22nd May 2026

What's been happening in our school...?

Every Friday in Collective Worship we celebrate your children's successes in school. These can take a variety of forms so I wanted to share with you a little about each celebration!

At All Saints we passionately believe in supporting children's academic progress but also their personal development. This is why the awards we give celebrate a mixture of these things.

- Your child might come home clutching a 'High Five Hero' award which is awarded by any adult in school who notices children displaying kindness or resilience or determination, anything that embodies the ethos and values of the school.
- They might come home with a Star of the Week certificate which celebrates the talents and hard work of the children and their academic progress.
- They might even come home with the Headteachers Cup, which is a special award given to children who that week have made an extra special effort to put the theme of our Collective Worship into action, whether that be kindness or ambition or hope, again embracing the ethos and values of the school.

Of course we also celebrate children's birthdays providing children with the opportunity to do early public speaking about how they are celebrating as well as celebrate their special day with the band playing and the whole school singing to them.

Finally we celebrate the winning house for the week and look at the overall points total for the year, to see which house will win the coveted House Shield!

Hopefully this gives you an insight into the many ways we celebrate with your children and when they come home clutching that award you have a better understanding of why that might be!

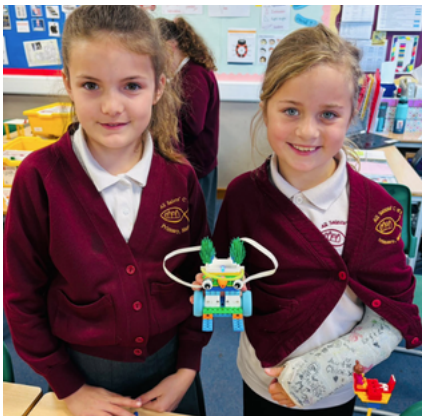

Friday Collective Worship really do demonstrate that 'Every Child Shines' and something we look forward to in school!
