## Week Ending 25th September 2025

### What's been happening in our school...?

In our Collective Worships this term we have been exploring the theme of 'responsibility'. We've heard about characters from the bible and learnt from their example.

We've so far talked about the responsibility to look after our planet, the responsibility to be kind to others but also the responsibility to own our mistakes and work to put them right.

We use the idea of 'Windows', 'Mirrors' and 'Doors' for this. We look through the 'window' and learn new things. We look into the 'mirror' and reflect on what we have learnt and then we go through the 'door' and put into practice what we have thought about.

WINDOWS

I'm lucky enough to witness this in action every day in our pupils. Whether it be our Ducklings and Cygnets children helping a friend to first aid after taking a fall, or our very oldest children already thinking about how they can support charity work for their Shine awards, I'm really proud of the kindness our pupils show one another. And when things do go wrong, as they inevitably do from time to time, taking the responsibility to put things right.

MIRRORS

Well done to all the children that this week went through the 'door' to be kind and made a difference to somebody else's life!

DOORS

## Donations Needed Please!

Our newly tidied allotments now really need some nice things to grow in them. Do you have any spare bulbs or seeds that the school could have for the children to plant please? Anything you can spare would be welcome, just bring into school and deliver to the office - we will ensure they are given a fabulous place to grow.

# THE SPORTS PAGES

## GIRL'S TAG RUGBY AT DRAPERS

Go Team All Saints'!

"I think women's sport can really inspire the next generation of future England sporting greats. We have to get behind that and ensure that it happens," *former England Rugby captain Sarah Hunter.*

A tough competition for our LKS2 team but they smashed it! The team finished in fourth place after a nail-biting game with extra time. The children showed great spirit and determination to prove All Saints' embrace everything that is thrown at them. What really makes us proud is the way they also support the other teams. Well done to everyone who showed up today. We hope you enjoyed the first sporting event of the year. You made us really proud.

LKS2 Team All Saints'

All Saints' Cheering on the other team!

UKS2 Team All Saints'

All Saints' lifting up each other

Well done UKS2 you blew our socks off! You came **THIRD!** You worked hard together and showed real determination. Well done for being such a positive and supportive team. Could we have some future England Rugby stars in our squad? We are so proud of you.

**Let's hope England can bring their A-Game against Canada in the final of the Women's Rugby World Cup this weekend!**

# Treasure

## found at All Saints'?

Important Diary Dates

You may have thought forest school and nature club were merely about having fun, getting muddy, being creative, learning in nature and having exciting adventures. But now one of our students has added a whole new dimension: finding treasure! During one of his many mud excavations something caught Raymond's eye. A tiny glint of light in the dark wet mud. He decided to investigate further, Raymond certainly wasn't afraid of getting muddy, that would be a problem for bathtime, this looked like it could be important! And there it was, a Victorian thruppence. Dated 1861 and sat waiting to be discovered. I wonder what other treasures might be lurking around our school

*A Victorian thruppence was a silver coin representing three pence during Queen Victoria's reign (1837-1901), often called a "thrupney bit". These coins featured different portraits of the Queen as she aged, with distinct "Young Head," "Jubilee Head," and "Old Head" designs depending on the period they were minted.*
